RE: Proposed Substitute Unit Well  
Upper Hackberry Sand, Reservoir A  
**CLEAR MARAIS FIELD**  
Calcasieu Parish, Louisiana

Dear Sir:

Application is hereby made on behalf of Mayne & Mertz, Inc. for the calling of a public hearing, after ten (10) days legal notice, to consider evidence relative to the issuance of an order pertaining to the following matters relating to the U HBY RA SUA, located in the Clear Marais Field, Calcasieu Parish, Louisiana, created by Office of Conservation Order No. 1363-B, effective May 4, 2004.

1. To designate the Mayne & Mertz, Inc. - Lawton 8 No. 2 Well located in Section 8, Township 11 South, Range 11 West, in the Clear Marais Field, Calcasieu Parish, Louisiana, as a substitute unit well.
2. To consider such other matters as may be pertinent to this application.

The designation of the well as a substitute unit well is necessary and in the interest of conservation to efficiently and economically drain a portion of the U HBY RA SUA which cannot be efficiently and economically drained by any existing well within such unit. The present unit well, the U HBY RA SUA; Lawton 8 No. 1 ceased to produce from the Upper Hackberry Sand due to a mechanical problem.

The Upper Hackberry Sand in the Clear Marais Field, Calcasieu Parish, Louisiana, was fully defined in Office of Conservation Order No. 1363-B, effective May 4, 2004.

There is attached hereto and made a part hereof a plat outlining the U HBY RA SUA, the present unit well and the proposed substitute unit well. Pursuant to the Revised Rules of Procedure, a list of names and addresses of the Interested Owners, Interested Parties and Represented Parties to whom this application is being sent is being furnished only to the Commissioner of Conservation and to the District Manager of the Lafayette District of the Office of Conservation. However, the list will be provided to any party requesting a copy. A diligent effort was made to ascertain the names and addresses of all Interested Owners, Interested Parties and Represented Parties as required by the Revised Rules of Procedure.

Finally there is enclosed our check on behalf of the applicant, Mayne & Mertz, Inc., in the sum of \$755.00 payable to the Office of Conservation and representing the required hearing application fee.

Sincerely,

LEON E. COMEAUX & ASSOCIATES
